## PREFACE.

THE present Index contains all the cases which have been judicially noticed in the Indian Law Reports since the commencement of the publication in 1875. It also contains the cases cited in the Calcutta Law Keports and the Law Reports, Indian Appeals, from the year 1872. The cases reported in 1893 and 1894 have been given in the supplement. The cases which have been cited in the above Reports are printed in heavy type in alphabetical order, and in each case references in chronological order but in lighter type have been given to every case in which they have been cited. the names of the parties, I have, as a rule, omitted all prefixes, including titles, such as Baboo, Srimati, Mussummat, Rajah, Rance, &c. No pains have been spared to, make the Index a complete one, and I trust it will be of some help to the practising lawyer in the laborious task of searching for authorities.
